(Colyright 1808, Associated Press)
Off Smitingo de Cubal, July 8, by The
Associated Press despatch boat Daunt Associated Press tespara box Dalay Resa, via Port Antonio July 8, and Kingston, July 8, 9.15 a. m. The return of Assistant Naval Constructor Michigand P. Hobsen of Merrimse Time, to bis able, the flagship New York was marked by wild enthusinem. It was dark when a shout was passed along the ship that Helson was coming. On the superstruc-ture clambered the crew, ten deep and on the quarter deck the officers clastered

noors rushed down. onling was tolegraphed and soldiers the root of the child ring child he first. The Morrimac's attention three of the torrela point, three of the torrela point, three of the torrelated he had ded when I touched the button. A larthe mine canifit her full amidiarine give water high in the air, tearing a great rent in the Merristelle.

dire she began to sit 2 dowly. At that me she was necess the channel, but referre she settled the tide drifted her round. We were all art lying on the celes. Shells and bullets whistled round. Six hoch shells from the Visnor's came kearing into the Mortmac, rashing into wood and from passing lear through, while the plunging shots rom the fort broke through her decks.

"Not a man must nove," I said, and twas only owing to the splendid disjuding of the mer that we were all not hield as the shells unned over us and alled as the shells unned over us and have became hour of suspense. The course months became parched but we not again one or the other of them.

deek and wondering whether the next shell would not come mir way would say. Hadn't we better drap off now, Sir? one I said, Walt till Laffight. It would have been impossible to get the enternaran anywhere but unto the short where the said ers stood shooting, and I hoped that by dightlight we might be regignized and sat set. MEN LABORED SPLENDIDLY. The grand old Meriting kept shaking. I shated to go forward and see the dam-

and wared his pane. It was admired and wared his pane. It was a standard their rifles and we were he ped for the launch. Then we were put in cells in Morro Casile. It was a grandsight a few days inter to see the boundardment, the shells striking and bursting become if the shells striking and bursting become in the basiles striking and bursting become in the basiles striking and bursting become in the basiles striking and bursting bound in the basiles striking and bursting bound in the basiles. It men were kept prisoners in the hospital. From my window I could see the army moving and it was terrible to see those noor and noting across the open and boing shot down by the Spaniards in the fifte pits a front of us.

"Yesteday the Span ards became as polite as could be. I knew something was coming and then I was exchanged! Hobsed was overloyed at getting back. He looked well, though somewhat worn. On the whole the Spaniards treated him better than might have been expected. Mr. Ranusden, the British consulat Sanitago, was the lass in is efforts to scence comfort for Hobsen and his men. The round for how was overloyed at generation of Cervern's fleet until he reaching the crang lines. He could not understand his promired exceptional promotion, but was practyced to learn that his brarrery had been recognized by the people, He is the same simple, unaffected, enthusiantic Hobsen mer simple, thaffect, and thus about the effect of exploding shells and array movements than about his own brare deed. The men who came with him received a roung greeception. All are doing wall, it was parting and noted he thin move a greeception. All are doing wall, it was parting for the parting of the grand for the grand

This is an episode of a soldier's life One of the first to colunteer; to fought faithfully and well, but returned a physical creck. To-day he lands the spe afic which made him hale and hearty.

When President Lincoln called for volun teers to suppress the Rebellion, S. P. Hun ters, a blacksmith in South Senba, N. Y. immediately left his forge and was one of the "I capterly purchased more boxe..." I continued to steadily unprove as:

first to respond.

Enlisting in Co. K., Ninety fourth. New York Volunteers, he participated in many fiteree battles, escaping death in innumer "It dun't seem possible, after all tic yy Enlisting in course,

York Volunteers, he participated in many
fierce battles, escaping death in innumer
able instances.

The conflicts which he encountered in
war were nothing, no compared with his
conflict with disease since.

The hardships of army he left him a
physical wreck.

The hardships of army he left him a
physical wreck.

"He an now walk miles without expense to whice!

"Altogether I used in ne boxes of physical wreck."

"He are now walk miles without expense no be?

"The rheumatic pains have no be?

He says:

"I read in a newspaper frow Dt Williams? Pink Pills for Pale Reople fad of feeted a cure in a case stimular to mune.

"I had ve y little money eft to experiment with new medicine.

They act directly upon usen in putting the root of disease, by restoring he vitality to all parts of the body functional regularity and perfect functional regularity and perfect throughout the system.

Drugguis everywhere sell these

Scialle rheumaturm developed.

For years he doubtered and spert hundreds of dollars without obtaining relief.

Three years ago his limbs became paraly tyred and he was unable to walk.

He got about only by dragging aimself from face to place by his arms.

It was no trick to run a common carning reedle duto the mu cles of his limbs with out feeling the slightest seesation.

Physicians gave him no rel of the beheved that he would never be anything but a homeless invalled.

Wany have found they commenced the beheved that he would never be anything but a homeless invalled.
